Gordon Cooper Technology Center offers full-time career pathways to high school juniors, seniors and adults. A student is eligible to receive college credit for most full-time career majors. High School students are eligible to receive math credit for various career majors. Courses are offered from 7:45 to 10:45 AM and 12:55 to 3:55 PM Monday through Friday. A student can choose to attend either the AM or PM session or both sessions. All students must be interviewed before entering a career major.

**Cosmetology** prepares students to become licensed cosmetologists who provide nail, skin, scalp, and hair care and composition to customers to help them enhance their personal appearance. Students receive classroom instruction and hands-on training in hair styling, cutting, coloring and chemical restructuring. Included are manicures/pedicures, facials, lash and brow tinting and arching, and scalp treatments along with customer service and shop management.

**High school students must complete 1,000 hours** of training during their junior and senior years and receive a high school diploma to be eligible to take the state board exam.

**Adult students must complete 1,500 hours** of training during the 3 semesters to be eligible to take the state board exam.

**Career Majors:**

*(For financial aid a Career Major must be 600 hours or more.)*
