Electrical Careers

Gordon Cooper Technology Center offers full-time career pathways to high school juniors, seniors and adults. A student is eligible to receive college credit for most full-time career majors. High School students are eligible to receive math credit for various career majors. Courses are offered from 8:15 to 11:15 AM and 12:55 to 3:55 PM Monday through Friday. A student can choose to attend either the AM or PM session or both sessions. All students must be assessed before entering a career major.

Electrical Careers Technology prepares individuals for placement as an entry-level electrician in residential, commercial or industrial employment. Further employment and study in the electrical field may possibly lead to a licensed journeyman electrician or contractor.

Course structure consists of electrical theory, practical shop experience and on-the-job training. Existing experience may fulfill partial credit requirements.

Occupational Titles:

- Residential Electrical Assistant
- Commercial/Industrial Electrical Assistant

Career Majors:
(For financial aid a Career Major must be 600 hours or more.)

In-District* Full-time Tuition: $1800 ($900.00 per semester)
