Gordon Cooper Technology Center offers full-time career pathways to high school juniors, seniors and adults. A student is eligible to receive college credit for most full-time career majors. High School students are eligible to receive math credit for various career majors. Courses are offered from 8:15 to 11:15 AM and 12:55 to 3:55 PM Monday through Friday. A student can choose to attend either the AM or PM session or both sessions. All students must be assessed before entering a career major.

Precision Engineering & Machining trains individuals to operate both conventional and computerized numerical control (CNC) machine shop equipment, work from technical drawings, and meet production and tolerance specifications on machined parts for the manufacturing industry.

**Occupational Titles:**

- Machine Operators
- Cell Technicians
- Tool Maker Trainees
- CNC Operators

**Career Majors:**

*(For financial aid a Career Major must be 600 hours or more.)*

---

**In-District** Full-time Tuition: $1800 ($900.00 per semester)

CTSO Dues: $10.00
